Message from the Dean

As the dean of Bronze University , I thought I would take the opportunity to tell you what is unique about our distance learning University. We prepare students —undergraduate, graduate and doctorate—to become urban, multicultural, qualified educators and counselors.

We have been, and will continue to be, an advanced distance learning for education: We are of the view that education is one of the vital solutions to the problems we face in society. At Bronze University University, students receive the basis for contributing to society. Our mission is to prepare our students, undergraduate, graduate and doctorate, to create a difference in the lives of others.

Globally Recognized & Highly Qualified Faculty

Educating The Generation Of Tomorrow

Bronze University is proud to associate itself with some of the internationally qualified and competent faculty. We exercise diversity and broadness of vision, and therefore, have faculty members teaching at our university from around the globe, having achieved excellence in their field of specialization by working in international markets.

Our faculty includes outstanding educators and researchers from both the academic and business sectors, contributing towards the overall professional and personal growth of the students. Meticulous care is exercised in the recruitment of academic staff of all categories so that BU is managed by experienced faculty panel, well versed and proficient in their subjects, capable of guiding their students and leading distance learning programs.

Student Services

Bronze University is committed to creating an effective environment for learning that will help in the development of leaders who will be recognized globally. We provide our students with the free guidance regarding their queries.

BU believes in supporting their students for everything including legal issues, course selection and financial advising. Our support staff helps students to understand the study material and guide students in the submission of online tests.

Scholarships and financial aid

A financial boost that sets you on the pathway to success

Our faculty are concerned about your success on the academic, personal, and financial basis. A number of our scholarships are funded by Bronze University and schools, and faculty nominate the student award recipients. Our scholarships go directly towards major reduction in tuition fees and will cover a significant percentage of your total tuition fees.

Other than that, tuition fee waivers are also available for studying some programs. You only need to apply once for your scholarship and this you do before the start of your program.
